

Sheltered Housing (category 1)

Warden Call Alarm System Sheltered Housing with a Warden Call alarm only:

On category I schemes (normally bungalow developments) there is no Scheme Manager, but the properties are fitted with emergency alarms that can be activated in the event of an emergency. Staff at the central control centre can summon help in the event of an emergency. For contact details, locations, facilities etc please see [contact one of our offices.](#)

Sheltered Housing (category 2)

Warden Call Alarm System and Resident Scheme Manager

Sheltered Housing with Warden Call Alarm and Resident Scheme Manager:
On category II sheltered schemes Muir Group provides a support service via our Sheltered Scheme Managers, who are on duty for 35 hours a week and available to offer support, advice, and help in an emergency. When they are not on duty, the scheme is switched over to a central control centre. Please see below for more information on these schemes:
