

FIRE, FLOOD, THEFT

**"IT WILL NEVER
HAPPEN TO
ME..."**

It doesn't bear thinking about, but these things do happen. All of us believe they'll never happen to us, and if they do, we wish we'd been prepared. But by then it's too late.

From as little as **£2.44 a fortnight** (for tenants aged under 60) and **£1.79 a fortnight** (for tenants aged 60 and over), Muir Group residents can have the peace of mind of knowing that your furniture, belongings and decorations are insured against theft, fire, vandalism, burst pipes and other household risks.

We know you might be put off taking out home insurance because you think it will cost too much, and that with other bills to pay it just doesn't seem affordable. That's why Muir Group has joined with the Jardine Lloyd Thompson Tenant Risks contents insurance scheme to offer you the chance to insure your contents and furnishings in an easy and affordable way.

It's a sad fact but these things do happen. Don't play a high risk game with your belongings.
