## PROPOSED 5 YEAR PLANNED IMPROVEMENT PLAN

As we promised to you last year we have now developed our 5 Year Plan of the works we propose to carry out in our Planned Improvement Programme.

The Plan is based on our most current information, but does come with a health warning that we may need to alter some of the timings of the work due to unforeseen circumstances. If this does happen we give a commitment to inform you of the change and provide the reason why.

We would ask that you take a few minutes to look at the work that is proposed to your home and we would welcome your feedback on anything you feel we have got wrong or we should change.

If you wish to discuss any aspect of this 5 Year Plan, then please contact the Asset Management Team on [0300 123 1222](tel:03001231222)
