

Calling all Muir's young people

We want to know what is important to you so we can help to make changes about things that you tell us matter to you the most.

So join in our Young People's Task Force and get the chance to have your say!

If you are between the ages of 8 and 18 and you want to make positive changes where you live, then you can become a member of the Task Force.

As a member, you can help to decide what the task force will do, and how it can help us to help you make your neighbourhood more youth friendly.

We will support you if you need help to take part so join now and make a real difference.

If you would like to know more about how we can do this together to provide a better service locally for young people, please fill in the form below and return it with the tear off stamped addressed reply form on the Customer Involvement Structure booklet, or contact Jan Kaneen or Bev Price on 01928 728000 or text your name to 07717 300061 or 07717 300036 and we'll get back to you.

I am interested in learning more about being a member of Muir Group's Young People's Task Force.
