

Warrington, Kirkby, Stockport & Liverpool 8 Autumn 2008

Hello! For anyone who hasn't met me yet, my name is Lee Kirk and I am your Community Housing Officer. I have worked for Muir Group for over ten years, and was originally based at the old office in Station Road, Warrington. I also cover Kirkby, Stockport and for the last twelve months Liverpool 8 areas. My patch covers four Local Authority areas, which explains why I am always 'out and about'

I enjoy meeting people and getting out to my various patches. Some are larger than others and my largest patch is the Warrington areas of Longbarn, Fearnhead Cross and Orford. I will shortly be completing scheme inspections, so let me know if there is anything in particular you want me to look at, or have any general information/concerns about your local area. If you require a private/home visit please contact me on 01928 728022 to arrange.

Do you have any unwanted household items, furniture or white goods? Remember to use your bulky rubbish service provided by the Local Council. This helps to reduce fly tipping and keeps your estates looking clean and tidy.

Liverpool 8 - Teddy bears picnic

On the 15th August 2008, The Canning in Bloom Residents Group organised a teddy bears picnic in Faulkner Square. It was a fantastic success, with the local residents and the children coming out in force with their bears!

Local shops donated prizes, and one competition was for the child with the best teddy bear. The children also enjoyed face painting provided by Liverpool Housing Trust. Friends of Muir Group donated £100 towards the event. Muir Group's representatives Emma Meredith and Jan Downey attended the event and gave away fruit and goodies for all to enjoy!

Council Changes

On 1 April 2009, we will all be having a new council, replacing our Borough or City Councils, and Cheshire County Council. The new Council, either Cheshire East or Cheshire West will be one tier, or unitary - just one council dealing with all the services that the previous boroughs, city or county councils dealt with. The idea is to simplify things.

So Chester City, Crewe and Nantwich, Ellesmere Port and Neston and Vale Royal Council, and the County Council will all cease to exist. Cheshire East and Cheshire West will deal with your Housing Benefit, your Council Tax, your waste disposal and collection, your children's school - to mention a few services. You will no doubt hear from the new Council in due course.

If you have a Parish Council or Town Council, they will not be affected by the changes.

Getting Involved

You can influence the way that Muir Group operates and how we deliver our services to you. Maybe you have an idea or can use your personal experiences to help us to improve.

It really doesn't matter how much time you have available or what your experiences are, as we believe that everyone can make a valuable contribution just by getting a little more involved, and we have a wide range of ways to suit your time and commitment.

Some of these are, becoming a board member; attending our Task and Finish Groups; or becoming a member of our Think Tank.

Ask for a copy of our resident involvement fact sheet which tells you all about them.

You can also have an impact in your own local community by getting more involved with local issues or projects. Perhaps you have a great idea for a new project, want to start up a residents group or get the community together to solve a local problem. We can help to get you going, and support you as and when you need it.

For more information please contact your local Community Housing Officer or alternatively, you can speak to your local Community Engagement Officer. Beverley Price for the North & Northwest regions on 01925 790624/07717 300036 email: beverley.price@muir.org.uk; or Jan Kaneen for the Southern region on 01480 492988/07717 300061 email jan.kaneen@muir.org.uk.

Appointments for Repairs

As part of our new partnership with our Responsive Maintenance Contractors, we have introduced an appointments system for non-emergency repairs to the inside of your home from the 16th September 2008.

When you report a repair to our Customer Service Team they will offer you an appointment, where applicable. You can choose a morning, midday or afternoon slot for a specific day for the contractor to attend to complete your repair. Where it is not possible for you to be at home during normal working hours we will be able to offer a limited number of appointments for a Thursday evening or Saturday morning.

You can report a repair by calling the Customer Services Team on 01928 728000.

Patch Plans

We are publishing Patch Plans for the start of the next financial year (April 2009). There will be a Patch Plan for each Community Housing Officer and they will cover all of the neighbourhoods managed by that Community Housing Officer.

Your Patch Plan will provide you with information on programmed works which are planned for the coming year, so you will be able to see if and when you will be getting any improvements such as kitchens and bathrooms or painting to communal and/or external areas. It will also tell you when we are coming to inspect your estate, so that you have the opportunity to come along on the inspection.

The Plan will also tell you other information about the patch, such as feedback from the estate inspections; improvements to estates; activities being arranged; opportunities for resident involvement and general news affecting you.

Knock Knock, Who's There?

In 2009 we will be starting a programme of tenancy audits. A tenancy audit is a visit to you at home which allows you to talk to us about any issues that you have, as well as giving us the chance to make sure that our properties are being looked after and that all the tenancy conditions are being maintained.

If a member of our staff, or one of our contractors, does visit you at home, they will show you their identification card (ID).

You should always check the ID of anybody who calls on you at home and if you are unsure who they are and why they are visiting you, you should not let them in unless you are satisfied that it is safe to do so.

Kirkby

Did you know that Kirkby residents now have a residents group that meets regularly? They discuss issues that are affecting your day to day life on the Southdene estate.

We currently appear to be experiencing an increase in crime and theft in the area. Lead roofing is being stolen from buildings. Officers from the local Police attend these meetings and would welcome any information or views from residents.

The group also has a social side and organises day trips out of the area. They issue a newsletter to promote these activities called 'Heys News'. They can be contacted via John Philips.

ALL MUIR STAFF WEAR PHOTO ID BADGES

Noise Nuisance

If you are suffering from anti-social behaviour caused by noise nuisance, it is essential that you contact the Environmental Health Department at your local Council, as well as contacting us at Muir. You will be asked to complete diary sheets in order to supply evidence of the problems.

FOMG, Who & What

Friends of Muir Group (FOMG) is a registered charity formed by Muir Group Housing Association in 2002. Its main purpose is to reflect Muir Group's commitment to investing in our communities.

Friends of Muir Group supports community projects and initiatives that benefit the communities in which Muir Group residents live. Friends of Muir has already made a positive difference to schemes, communities and neighbourhoods across our regions by providing funding to get projects off the ground and to keep them going.

Amongst the brilliant community projects that FoMG has given grants to this year are:

A gardening group for people with learning difficulties; National In Bloom Project; Community Adult Learning Days and Friendship Groups; Community Safety Days; Social Outings throughout the regions; school projects; play schemes; anti-bullying campaigns; community recycling.

Friends of Muir Group Board meets four times a year to make decisions on shaping the future of the charity and to approve grant applications. The next meeting is on the 9th December, all bids to reach Beverley Price by 26th November 2008. For further info or assistance call 01925 790624 or 07717 300036 email beverley.price@muir.org.uk.

Fly tipping

Please ensure that you do not dump rubbish in your neighbourhood.

We increasingly have to collect and dispose of articles which have been dumped such as sofas, TVs, car parts, etc. Not only can these items be unsightly, but they can also be dangerous.

It costs us, and ultimately you, to have such items removed and disposed of. Fly tipping is illegal and can lead to the local authority taking court action against those responsible.

Such action could result in a fine of up to £50,000 at Magistrates Court, or an unlimited fine at Crown Court, and/or a prison sentence of up to 5 years.

If we identify any residents as being responsible for fly tipping, we will recharge them for any costs that we incur. We can also take action for breach of tenancy.
